Should we ignore this trend and our commonsense in order to avoid “profiling?”

To ensure we Americans never offend anyone, particularly fanatics intent on killing us, airport security screeners will no longer be allowed to profile certain people. They must conduct random searches of 80-year-old women, little kids, airline pilots with proper identification, secret agents who are members of the President’s security detail, 85-year old Congressmen with metal hips, and Medal of Honor winner and former Governor Joe Foss, but leave Muslim Males between the ages 17 and 40 alone lest they be guilty of profiling.

Footnote: Remember Fort Hood Texas? Another Muslim, 39 years old, killed 13 people and wounded 30 others... does this fit the profile? ■
